Please follow the 6 point checkout process !!

1. After selecting your tree you'll receive a numbered tag "CLAIM TAG".
2. Go to the "Clerking Area" under the large walnut tree in the barnyard .
3. A yard clerk (with red apron) will complete a Sales Ticket and give it to you.
4. KEEP YOUR NUMBERED CLAIM TAG, as it identifies your "perfect tree".
5. **Go to the "pay house" to pay by credit card or cash: if paying by credit card you can see one of the Elf's in the barnyard to pay contactlessly.**
6. **After paying for your tree go to the exit area where staff will locate your tree. This year please only one or two people, not the entire family, so we can have safe distancing.**
